

Coaching Questionnaire

The Bowls Development Alliance would like to hear the views of all bowls coaches across all four of the bowls codes as to what you feel about the present coaching scheme, what currently works well and what needs to be changed.

The aim is to look at a new vision and strategy for bowls coaching ,one that will look at recruitment, development, support and recognition of all coaches, one that puts the needs of the coach first.

We would appreciate if you can complete the short questionnaire below. Your views are very important to us and I can personally ensure you that all your comments will be considered in any new developments .All information provided will be treated with the utmost confidence
