Club Profile - Sport for All in Sussex

The latest 2014/2015 Love Fisher Brown award entrant to be profiled is the organisation “Sport for All in Sussex” who are working with Preston Park Bowls Club to deliver bowls sessions. This is for adults with learning disabilities and mental health issues. The project supports where possible for players to compete in Special Olympics and over 500 people have now tried the sport at least once.

Many of the participants have enjoyed the challenge of the sport and play both bowls and Boccia during their sessions.

Sport for all in Sussex are striving to increase the awareness and opportunities for individuals who suffer with both learning and physical disabilities and, mental health issues to play bowls. So, if your club in Sussex would like to help support this group, then please contact Sport for All in Sussex via <http://www.sportsforallsussex.co.uk/>
