Club Profile - Prince Arthur Road Indoor Bowls Club

The latest Love Fisher Brown award entrant to be profiled is Prince Arthur Road Indoor Bowling Club. One of the club's most recent achievements has been the introduction of Boccia to their facility. Three years ago the Boccia sessions were started at the indoor bowls club and there are now up to 30 active members playing each Saturday morning.

The success for the club has been the transition for these participants who came to the club to play Boccia. With many now having tried Bowls, several Boccia players have now joined the bowls club.

The club are proud to be truly inclusive and support several events around the community, including a disability sports day at the local sports centre. Hopefully many of the people trying bowls on the day will soon be down the indoor bowls club!
