- (viii) If a bowl is on the re-spot, the jack will be placed as near as possible to the bowl without touching it, between the spot and the centre of the rink. If any other bowls are in the way the jack will be placed as near to that without touching it and the centre of the rink. In other words, directly between the 2 spots without touching a bowl.

2. Players must not have attained the age of 18 on 30<sup>th</sup> September 2021.
3. The competition will be played in a regional round robin league, with teams playing each other once, either 1 rink home and 1 away or both rinks at a neutral venue if mutually agreed regionally.
4. Games will be 18 ends or maximum 3 hours 30 mins; whichever is the shorter not including trial ends. An end where the jack has been cast before 3 hours 30 mins must be played to a finish.
5. No dead ends – If a jack in motion passes completely outside the boundaries of the rink of play or rebounds to distance of less than 20 metres from the mat line, the jack shall be re-spotted. If the jack passes outside the side boundary of the rink it should be placed on a pre-arranged spot on the rink which is 2 metres from the front ditch and 1½ metres to the left or right of the centre line, on the side that it left the rink of play. If a bowl is on the re-spot, the jack will be placed as near as possible to the bowl without touching it, between the spot and the centre of the rink. If any other bowls are in the way the jack will be placed as near to that without touching it and the centre of the rink. In other words, directly between the 2 spots without touching a bowl.
6. 3 points for the winning team, 1 point each if match is tied.
7. The winner of the group will qualify for the Final or Semi-Final (depending on the number of regional leagues). If two or more teams have the same number of points the winner of the group will be decided by overall shot difference.
8. The Final will be played at the National Championship Finals.

Unless otherwise provided for in these rules, ties are to be played on the same day simultaneously. Ties will be on a one "four" home, one "four" away basis unless the County towns are more than 100 miles apart, when the tie should be played in a neutral County as near halfway as possible between the two.
