RULES AND REGULATIONS GOVERNING THE USE AND REGISTRATION OF COLOURED JACKET & HOODIE

1. Coloured jackets/hoodies may be worn in any event controlled by the English Indoor Bowling Association Limited (EIBA Ltd) providing that EIBA Ltd has given prior consent and approval of the design of the item to be worn. Applications for the design of a jacket/hoodie, including registration fee, shall be made to EIBA Ltd on the appropriate form. Once the design has been approved a Registration Certificate will be issued.
2. Following this procedure, a jacket/hoodie in the registered colours may be worn by an individual, team or side in any event under the direct control of EIBA Ltd provided that the Club at which the tie is to be played permits the wearing of coloured outerwear. In a team or sides event, if jackets/hoodies are to be worn, the same registered item must be worn by ALL members of the team or side. In mixed events where men and women have different registered coloured jackets/hoodies, all men should wear the same design and all women should wear the same design.
3. The wearing of a coloured jacket/hoodie, which has not been approved may result in elimination from further participation in that event. In very exceptional circumstances players arriving at Championship Finals in non-registered outerwear will be given an application form to immediately temporarily register their items and will be allowed to compete and play in the event providing the appropriate registration fee is paid.

A Personal Sponsor's logo can be attached to a club/county outerwear where space permits i.e. within the allocated specification of a maximum of 4 commercial logos including a shirt logo.
