#### Big groups, small groups, pairs and individuals

Are you part of a big group? Small group? Solo bowler? Whether there's one or one hundred, a Warner bowls break is a great way to get out there and enjoy some friendly competition with like-minded people, as well as having a fantastic holiday!

### Half board holidays in stunning settings

You'll enjoy hearty breakfasts, delicious three-course evening meals, live music and shows every night, plus a host of other exciting activities, all included in the price of your break.

#### Glorious greens, inside and out

You can play on championship standard courses that regularly host national and international bowls events. Our indoor bowls halls are of a high quality, or you could play outdoors under the shining summer sun.

#### Prize money of up to £6,000

#### More than just bowls

When you've finished your bowls for the day you can enjoy archery, rifle shooting, putting, scenic walks, challenging quizzes, a swim in the pool or a workout in the gym, all included in the price of your break.
