

Bring a Friend Data Submission

It has been brought to the attention of the BDA that when submitting event data for the 2013 Spring Bring a Friend Week the following text has been included in the confirmation email that follows the submission:

“Please send the offline payment via our bank account . Information of our bank account is as follow :

*Tuan Pham Ngoc, Ngan Hang Ngoai Thuong Vietcombank, Account Number
XXX045485467*

If we don't receive your payment within 3 days, we will cancel the registration and you cannot attend to this event .

Regards,

Events management Team”

This text is SPAM text that from time to time attaches itself to email communications. **The BDA will never, and have never, asked any clubs to pay to host recruitment events. Clubs are urged not to send any monies to any party under any circumstance.**

Our technical team are currently investigating the matter as a matter of urgency.

Regards

BDA
