UPDATE STATEMENT ON INDOOR BOWLS TOURNAMENTS

The English Indoor Bowling Association Ltd has over the last several weeks held discussions with Stakeholders and interested groups to establish a sanctioned Club Open Series and Semi-Professional Tournament within a formal structure, for the benefit of the Sport, Clubs and bowlers.

Based on these discussions the EIBA Board formally adopted at its September meeting an Elite Player Pathway: -

Key ——— EIBA Direct Control
 - - - - Partnership Relationship

In approving this Player pathway the EIBA wants to provide the competitive aspect of the sport a credible and long term opportunity.

The next phase of this initiative will be the EIBA's Chief Executive, Peter Thompson, developing a robust business model for adoption in 2016. Consequently there will need to be further detailed discussions with key parties such as the World Bowls Tour and interested commercial organisations.

It is expected that this project will be finalised and presented to the EIBA Board by no later than the next scheduled Board meeting on 25th November 2015.

At this time the EIBA wishes to confirm that they are fully endorsing and supporting the Open Singles Circuit to ensure that the established Club events can continue as planned.
