

Following on from last month's exciting news that Ambassador Cruise Line is now an Official Partner of the English Indoor Bowling Association (EIBA) we are delighted to welcome you into the world of Ambassador Cruise Line.

We are Ambassador. Britain's authentic no-fly cruise line offering affordable quality and the warmest welcome at sea.

Experience breathtaking destinations, amazing entertainment, outstanding cuisine, and no-fly convenience with Ambassador, where every guest enjoys the warmest welcome at sea. That's affordable quality cruising.

A new kind of cruise line Founded in 2021, Ambassador Cruise Line has two adult-only ships in its UK-based no-fly fleet: Ambience and Ambition. And with Ambassador's ships sailing from seven departure ports across the UK, you can enjoy yourself sooner without long queues, luggage restrictions, or exchange rate worries. That's affordable quality cruising.

Once on board, you'll enjoy a host of amazing entertainment including quizzes, crafting, Theatre@Sea, West End style shows, and much more. We don't make a song and dance of it; we leave that up to you as quality entertainment shouldn't have to come at a high price.

Sponsoring the English Indoor Bowling Association

To celebrate the partnership, we are delighted to extend an exclusive 5% discount to members of the EIBA community on their cruise fare on all Ambassador no-fly cruises using code **ENGBOWL5**

Our support goes beyond sponsorship. We want to make a real difference for the clubs and communities that make indoor bowls so special. That's why we're introducing the EIBA Club Grant Fund, which will benefit from a financial contribution for every cruise booked using the code **ENGBOWL5**

To find out more about Ambassador Cruise Line or to book your next adventure using the ENGBOWLS5 code, please click here.
