July 2026

Have Your Say

If you volunteer at a bowls club, sit on the committee, help with coaching, look after welfare or just keep things running... this survey is for you!

All four National Governing Bodies and the BDA are coming together to agree a shared view of what the sport needs over the next five years. This survey exists to put the views of the people who actually run and support bowls clubs at the centre of our decision-making.

It takes around 10 minutes, all answers are confidential, and everyone who completes it will be eligible to be entered into a prize draw to **win a £250 Amazon voucher** 📺

The survey is open until Monday 7th September 2026, so don't leave it too long!

If you have any concerns about anyone involved in bowls, whether directly or indirectly, please report them as soon as possible.

In the first instance, any safeguarding concern should be reported to your Club or County Safeguarding Officer.

Contact emergency services by calling 999 if a child or adult is at immediate risk of harm or requires emergency assistance.

**Safeguarding – Code of Conduct:
