STATEMENT ON INDOOR BOWLS TOURNAMENTS

The English Indoor Bowling Association Ltd has been monitoring developments following the sudden collapse of World Series Bowls and its planned tournaments for indoor bowlers along with the company's control of the successful Planet Bowls Club Open Series.

Based on information and direct approaches from groups of individuals and organisations the EIBA Ltd wishes to hold discussions with these and other appropriate stakeholders in early September.

The aim from these discussions is to establish sanctioned Club Open Series and Semi-Professional Tournaments within a formal structure, for the benefit of the Sport, Clubs and bowlers.

There will be further updates issued as matters progress.
